

The diagram shows a complex network of 15 nodes and numerous edges. The nodes are colored red, blue, or orange, and each contains a numerical value. The network is highly interconnected, with many overlapping edges and clusters.

Node Values:

- Red nodes: -1.9, -2.4, -2.8, -2.7, -2.3, -2.3, -1.2, -2.3
- Blue nodes: 1.8, 2.8, 2
- Orange nodes: -2
